

Edwards Water District Planned

Castro To Enlarge Corporate Limits

CASTROVILLE — Meeting in regular session Tuesday night, the members of the Castro City Council voted to enlarge the corporate limits of their

Bureau Begins Drive

The Medina County Farm Bureau Directors held their annual Kickoff Dinner in Hondo Monday night. Twenty-seven Farm Bureau workers were present. The speakers were O. R. Long, Southern Regional Field Representative of American Farm Bureau, Leon Lane, State Field Representative, and R. L. Buchanan, District Farm Bureau Representative.

The meeting marks the beginning of the annual membership drive. All farmers and ranchers will be given an opportunity this week to contact their community directors for renewal of membership. Membership in the American Farm Bureau has increased steadily for the past 17 years.

A free service for Medina County Farm Bureau members has been added as the office secretary has been appointed a notary public and will notarize documents which have been properly filled out.

A county-wide farm bureau meeting will be held in D'Hanis High School auditorium Feb. 13, at 7:30 p.m. The public is invited to attend.

The Press Helped Mailing

Public cooperation was credited with improved handling of a record volume of Christmas mail in this area.

Postmaster Harry Filleman of Hondo says that Christmas began as early as Dec. 12 increasing from that date on and spreading the mail load over a longer period of time than usual. Filleman added that this made easier and better handling possible.

This was also true on a regional basis. George A. Gray, director of the Post Office Department's Texas-Louisiana Region, said reports now being made to his office in Dallas indicate that there was about a six per cent increase in mail over Christmas of 1954, giving the Department the biggest volume in history. Postal revenues also increased about six per cent while work hours were up only two per cent.

"This increased efficiency which is reflected in reports from the larger offices of the region, is traceable to the best cooperation from the public the Post Office has ever had," Mr. Gray said.

He cited an unprecedented amount of publicity by newspapers and radio and television stations urging the public to separate, face and bundle letters and to mail early.

"There was no delayed mail in post offices in Texas and Louisiana on Christmas Eve," he said, "and I give a great deal of credit to the publicity by the press."

SOMETHING NEW HAS BEEN ADDED in the design of Texas license plates for 1956. The new ones are several inches longer and have two letters parallel with the numbers instead of one number being on top of another.

Shown with the old and the new are Mrs. R. F. Pfeil, chief assistant in the office of the tax assessor-collector, and Mrs. David Bassett, clerk. The new plates go on sale Feb. 1.

Morales Assigned Six Years In State Pen

HOLIDAYS FOR 1957 SELECTED

The Retail Merchants Committee of the local Chamber of Commerce met Monday, Jan. 23, and set aside the following days to be observed as holidays during 1956: Memorial Day, Wednesday, May 30 will be observed from 9:00 to 12:00; Independence Day, Wednesday, July 4; Labor Day, Monday, Sept. 3; Veteran's Day, Monday, Nov. 11; Thanksgiving Day, Thursday, Nov. 22; Christmas Day, Tuesday, Dec. 25, and New Year's Eve and New Year's Day, Monday, Dec. 31, 1956 plus Tuesday, Jan. 1, 1957.

This committee is composed of the following merchants: Geo. Dawson, Chairman, Jack Winkler, Ben Oefinger, Wm. Huston, Henry Flory, O. J. Bomba, James Tschirhart, Emmett Kellmann, Mrs. F. H. Hollmig, and Paul Bybee, President of the Chamber of Commerce.

A CORRECTION

The inadvertent use of a figure 8 instead of a 3, in our last week's mention of the forthcoming meeting of the members of the Home Relief Association at the courthouse Saturday afternoon, caused an error of \$500,000 to appear in the death claims as paid. The correct figures should have been \$318,665, as they appeared in the official Financial Statement, and not the erroneous amount stated in the front page story.

Fletcher Davis.

Three Divorces

Three divorces were granted. Plaintiff was granted judgement for divorce, custody of children and child support in the case of Beatrice Espinosa vs. Roberto Espinosa. The name of Jordan was restored to the defendant in the divorce trial of Franklin T. Fowler vs. Frankie B. Fowler. Bonnie Nell Miller was given custody of the children and child support in her case for divorce against Carlos William Miller.

Two adoption petitions were granted Monday. Petitioner Clifford Jean Haine acting for Gerry Sehlley, a minor, won adoption and was granted the requested name change. The adoptions of Thomas Hugo Wagoner and Blake Robert Wagoner, minors, were also granted to their petitioner.

Theft Rates Fast Action Sunday, 22nd

County law officials apprehended four Latin American juveniles Sunday night after a reported theft and a chase.

Jesus Dominguez of a nearby service station saw a car parked at the Wesley Huesser Station about 9 p.m. and heard the Coke machine being broken into so he phoned the sheriff's department.

After sending out a radio call and blocking the highways, the sheriff's department found the boys west of town, north of the railroad and a race ensued. Vernon Muennink, who spotted them, issued a call for help in blocking them. City police came to their aid, blocked off Ave. U and caught two of the boys. Later the other two, who had been out searching for a car to steal, according to a later statement, were picked up in front of the Armstrong Hotel.

Car Theft

After questioning, the boys admitted they stole a 1953 Mercury in Pleasanton Thursday evening after abandoning another car which they had taken in San Antonio. They had put the license plates of the first car on the Mercury. In addition, they admitted stealing two other cars.

They are also being held for breaking into Coke boxes at Timmerman's Station in Hondo, Suehs in Castroville, Shumakes at Natalia and into others at Cotulla, Pearsall and Pleasanton. They also took a battery from Timmerman's and got gas from Hondo School buses.

The juveniles were released to Atascosa County Sheriff's department for car theft, but will be brought back to Medina County for trial later.

One of the boys stated that they steal, stripping cars, and the uncle of one of them serves as a fence in disposing of the stolen goods.

RAINFALL COVERS COUNTY

The first rainfall of 1956, varying from a scant 70 inch to 1.5 in parts of Medina County was gratefully received by farmers and ranchmen alike. Coming in two showers, the first rain fell on Jan. 18 and a smaller one came over the weekend.

County Agent C. B. Gaston stated that the moisture was a wonderful aid to the crops about the area and that if we had some sunshine the next few days, many of them would be ready to graze in about ten days. Winter grasses as well as winter weeds will benefit from the rain. Hondo, Castroville and the F. D. Garrison ranch had about 1 1/2 inches, Devine had about .75 and Judge Arthur Rothe reported .70 for his ranch north of D'Hanis. D'Hanis proper had 1.25 and W. L. Taylor counted 1.30 at his place.

Soil Recharge May Fill Wells

About the close of 1955 a new committee of the South Texas Chamber of Commerce entitled the Edwards Underwater Water Conservation Committee, was organized.

The initial meeting was attended by Judge A. H. Rothe, F. D. Garrison and O. L. Moss of Hondo and others have attended subsequent gatherings.

Prime interest of the Edwards Underwater Water Conservation Committee is the organization of a Water Conservation District

whose main interest is the construction of flood prevention and ground water recharge structures in the lower Edwards Basin and adjacent recharge area.

Due to the tremendous demands made on the ground waters of the Edwards Basin, and the rapid depletion of the supply of water in this basin, the Committee recommends the organization of an Edwards Underwater Water Conservation Sub-District, with taxing powers, so that adequate steps may be taken to control

floods in the area as well as divert such run-off waters to the underground storage basins.

Ideal Formation

According to the information available from the data compiled by the U. S. G. S. and the State Board of Water Engineers, the natural faults and porous limestone formation in the Edwards Basin recharge area are ideal for the locating of recharge structures, which would serve the dual purpose of replenishing the ground waters of the Edwards Basin and prevent floods within and below the proposed District.

According to the committee, benefits derived from such flood control and recharge structures would be vast and most important to hundreds of thousands of rural and urban people in the proposed district, including numerous military installations and around San Antonio, Hondo and San Marcos. Further vast benefits would be assured for the hundreds of thousands of people in rural and urban areas below the Edwards Basin who are dependent upon the continued flow of the springs that supply the water of the Comal, Guadalupe, San Marcos, Cibola, San Antonio, Medina, Frio and Nueces Rivers.

In the study of existing laws governing Underground Water Districts, the committee finds inadequate regulatory measures with regard to the amount of withdrawals from underground basins, as well as to the waste of water withdrawn from such sources.

The State Board of Water Engineers is operating under a severe handicap for lack of sufficient and adequate funds the committee believes.

The engineering for such flood control and water conservation work as recommended, should be under the supervision of the State Board of Water Engineers and should be an obligation of the State of Texas, the committee says, due to the fact that benefits derived from such work would accrue to a vast area of the State beyond the immediate confines of the Water Conservation District.

ROY CARTER FUNERAL WEDNESDAY

Following an illness of several months duration, Roy A. Carter, 67, died Tuesday, Jan. 24, here in Hondo. He had been a local resident for 45 years.

The son of the late J. Hugh Carter and Ella Turner Carter of Kansas, Mr. Carter was born on Jan. 9, 1889 at Toledo, Kan.

On July 29, 1916 he married Miss Sylvia Haass in San Antonio. She survives as do four children who are: Mrs. Charles Masters, Mrs. Luther McCartney, Roy H. Carter and Lt. Lynd J. Carter. Grandchildren are Ricky, Rusty, Roxie and Robbie Masters, Myra Lynn McCartney and Kathy Carter. His two sisters are Mrs. Don McMillan and Mrs. Percy Hittatt, Sr. of Emporia, Kan, and his brother is Fred Carter of Fullerton, Calif. One sister and one brother preceded him in death.

Funeral services were held Wednesday afternoon, Jan. 25, 1956 from Hanger Funeral Home with the Rev. L. A. McDonald, pastor of First Methodist Church, officiating. Interment was in W. O. W. Cemetery. Serving as pallbearers were: J. P. Ephraim, Amos Harline, George J. Brucks, Chris Lindemann, Wesley Breiten and W. B. Weber.

Last Rites On 21st For Aged Lady

LACOSTE — Mrs. Mary Christilles passed away at Castroville on Thursday, Jan. 19, 1956.

Born at Castroville Dec. 5, 1863, she was 92 years of age at the time of her death. Mrs. Christilles nee Marty, was married to George Christilles in Sept. 14, 1886.

Survivors are: Two sons, Paul and Daniel Christilles of LaCrosse, six grandchildren; and 12 great-grandchildren.

She was a St. Ann's charter member of Our Lady of Grace Parish and also a St. Ann's member of St. Louis Parish in Castroville. Rosary was Friday at Tondre's Funeral Home and funeral services Saturday morning followed by Requiem High Mass in Our Lady of Grace Church with Rev. Weber officiating.

Burial was in Our Lady of Grace Cemetery. Pallbearers were Leonard Marty, Claude Marty, Cornelius Marty, Paul Christilles, Jr., James Christilles and Maurice Biedler.

MRS. SCHOTT

New Nurse Hired By County

Newest employee of Medina County is Mrs. Marjory Whitehead Schott of Castroville who has accepted the position of county health nurse. The spot has been vacant since the resignation several weeks ago of Mrs. Johnnie Delavan.

A registered nurse, Mrs. Schott had her training at Santa Rosa Hospital after graduation from St. Louis School, Castroville. She was formerly employed by the late Dr. Williamson.

She is married to Alr. Forre Captain Richard J. Schott, now in Korea and they have a two year old daughter, Shale.

Presently occupied with home visits, Mrs. Schott will work over the county. She has been employed by the county since Jan. 1.

SALVATION ARMY TRUCK TO BE HERE FEB. 9TH

The Salvation Army truck with the red shield will be in Hondo Thursday, Feb. 9 to pick up discarded material to be given to needy all over this part of the country.

Urgently needed are newspapers, books, magazines, furniture, shoes, clothing, stoves, heaters, radios, rags and bric-a-brac.

Must Dial HA Preceding Phone Numbers

Anybody in Hondo will take a memory test February 5, "Change Day" for all Hondo phone numbers to the Medina Telephone Numbering when every number will have letters and five numerals instead of the recent numbering system.

Under the new arrangement, Lovett said, it will take seven pulls of the telephone dial to get the number wanted. The customer dials the central office prefix of two letters and one numeral, followed by the four numerals of the telephone number. "For example," Lovett said, "to call the number Harrison 6-3699, you'll dial H-A-6-2-6-9-9."

The telephone numbers are not being changed "just to be changing them," the manager declared. It is necessary for two reasons: (1) to pave the way for the connection of Hondo to the nationwide long distance dialing network (2) to permit further expansion of the telephone system

here with numbers that are easier to remember.

The new "2-5" numbering plan — for two letters, five numerals — has been standardized throughout the Bell System the manager said. The goal is for all dial cities to switch over to the 2-5 plan in the next few years. Many cities have already made the change.

The new numbering plan meets the requirements of the nationwide long distance dialing network which is rapidly being extended throughout the country. In addition, the 2-5 system makes possible up to 500 central office prefix combinations of letters and numerals, as compared with about 50 under the numbering system which has been in use here.

As further improvement, the new two-letter, five-number plan is the basis for customer long distance dialing at some future time. In addition, Lovett said, the

uniform 2-5 plan eliminates central office names having only local significance which have always been a source of confusion to distant operators trying to complete long distance calls.

"Throughout the country there have been literally thousands of central office names," Lovett explained, "many of which are hard to spell and even harder to understand. They included place names, state names, and coined words which caused confusion on calls. Under the new plan, such names are chosen from a basic list of about 100 names carefully selected after years of trial for their ease of spelling, ease of understanding, and so that the first three letters of the names meet the long distance dialing machine requirements."

A new telephone directory listing all the new numbers will be distributed shortly before the change, Lovett said.

Medina Valley S.C.D. To Study 60 Grasses

At a recent meeting, the Board dents to the grass plot for plant of Supervisors of the Medina Valley identification and study as soon as the grasses are well established on starting a grass plot.

Planting of grasses will be different grasses will be planted. Supervisors say a great value and should be ready for viewing can be gathered from study of and study sometimes during these plantings. After the grasses month of May, if weather conditions are well established they will be proven favorable.

The grass plot will be located natural weather conditions. One directly west of the Hondo Drive row will be planted of each Inn Theatre.

The Supervisors of the Medina its growth, amount of forage pro-Valley Soil Conservation District, and its ability to stand up extend their sincere thanks to under dry conditions such as this Louis George, Hondo Courts, area has.

for his grateful consideration of Agriculture teachers will be following the District the use of most welcome to bring their stu-his land for this grass plot.

Let's Open The Doors In Texas

By Bill Berger

When is the State of Texas going to wake up to the importance of public notices?

In all the outcry over insurance scandals, land scandals, theft of public funds — nobody in the public offices concerned has mentioned the fact that if laws had been in effect requiring publication of legal notices about these transactions, many of them would never have happened.

PUBLIC NOTICES will expose many types of fraud and the fact that publicity could be required might have stopped it before it started. Suppose that the **Veteran's Land Board** had been required to publish a list of the veterans who went together to buy a block of land, along with the price they were to pay for it?

All the people in the community would be notified what was going on, and the veteran himself would have found out what was being done in his name. When grafters are exposed to public view, the graft ends — or stops before it starts.

A newly formed insurance company should be required to publish a notice in every community where it seeks to take money from the public, listing the names of its officers, stockholders and cash assets.

Taxing bodies should list who gets how much for what, and if there is anything out of line, somebody who is interested will see that it is straightened up.

You can be sure that when all the cards are laid out for everyone to see, those who plan skulduggery will be much more careful, and most of it will be stopped before it starts.

BORROWS SOME MORE HISTORICAL DATA

ABOUT EARLY DAYS

IN WHAT IS NOW MEDINA COUNTY

MORE ABOUT PIONEER ROADS AND OTHER MATTERS

(Continued from last week)

Still quoting from the same source, we read as follows:

"After Henry Castro established his settlements in Castroville in 1844, Quihi 1847 (1846?) and New Fountain and D'Hanis in 1848, the said (Camino Presidio or upper) road, then known as the General Wolls Road, was shifted further south and afterwards used by the U. S. Government as the main road from San Antonio, through Castroville, Quihi, D'Hanis and Fort Lincoln and west to Ft. Clark and Ft. Duncan at Eagle Pass. Also the upper road to El Paso and Chihuahua in Mexico."

At this point, it is not out of place to mention that this road, or one following it's general course, grew in immense importance as the country west was settled up, and it was extended west clear to California and became a regular mail and passenger stage coach route, serving the army posts and settlers along its extended route until the extension of the railroad west in the early eighties rendered the service out-moded.

Incidentally, Big Foot Wallace served at one time as a driver of one of the coaches and the beautiful house of District Attorney and Mrs. Francis C. Richter at New Fountain is a reconditioned stage post, probably the last standing monument remaining today of the many that served the busy route in it's time of operation.

But to again quote, Judge Haass notes further as follows:

"There was also a road in use earlier than 1840 known as the lower Presidio Road from Mexico to San Antonio crossing the Frio at the junction of the Hondo and Sabinal and then passing through Medina County above the J. E. Adams ranch on the Hondo, the Keller Brothers on Black Creek and West of Noonan near Flea Hill and Mexican Wald or Mexican Forest, crossing the Medina above LaCoste and joining the upper Presidio road at the Sauz creek. Tradition has it that a battle was fought between the Mexicans and Indians at said Mexican forest and a large amount of Mexican money was buried near said Flea Hill. Hunters have dug but whether with any results is not stated."

Some six years after Texas had secured her separation from Mexico and set up herself as an independent Republic, still smarting from their loss, the people of Mexico, under the direction of their President Santa Anna, made a futile attempt to retake Texas. An army was equipped and under command of General Adrian Woll invaded the state in 1842. Among other achievements they captured San Antonio. But his tenure was of short duration. Becoming alarmed at the decimation of his own forces and the rapid increase of the Texan forces who were harassing him in his every effort to extend his operations further, he decided to abandon his enterprise and return to Mexico. Of this movement, Judge Haass records the following:

"The Mexican army in their retreat from San Antonio traveled toward the foot of the mountains and crossed the Medina River. The advance of the Texans was led by Jack Hays and his rangers, who crowded close on the rear of the retreating Mexicans. The Texans were badly scattered, coming in in companies under their respective leaders. This want of order and a thorough understanding in regard to commanders and plan of battle caused the pursuit to be a failure. Captain Hays and his men came upon the Mexicans at the ridge where they had halted to give battle, and he halted his men to await the arrival of the remainder of the American forces, but they came in disordered squads, and the Mexican commander, seeing that he was not going to be immediately attacked, moved on across the Hondo and made another stand there. One battery was placed in position on the east side of the creek with twenty men with it, supported by infantry, and the main army formed in the flats on the west side with a cannon in position to bear upon any approach to the one on the east."

Here the Judge's records abruptly stop in so far as they are available to this columnist.

Some school histories of Texas completely ignore this last clash of the wars between Texas and her mother state, Mexico, for Texas' independence and those that do mention it, dismiss it in a very few words. Strange for what was, in fact, the last fight for Texas independence.

For instance, Newton and Gambrell's "Texas Yesterday and Today" after a sketchy treatment of Woll's operations, during which he occupied San Antonio, closes the recital with the one sentence: "On the 20th (of September) General Woll evacuated San Antonio and retired toward the Rio Grande."

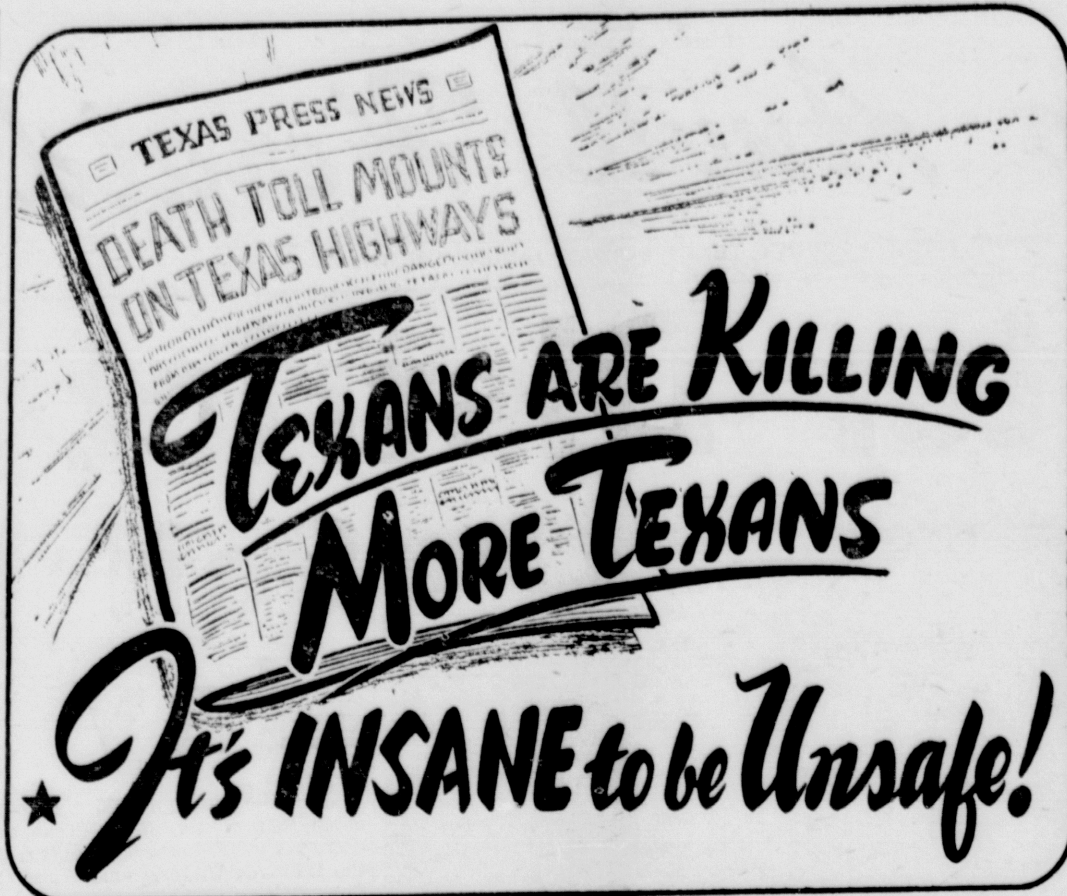

Ralph W. Stien's "History of Texas" treats the Woll operations in more detail but closes it's recital of the events as follows:

"On September 20 Woll retired from San Antonio taking with him a number of prisoners. Included in this group were the attorneys, the judge, the jury and other officials of a district court which had been in session at the time the city was captured. The militia followed for a few miles then returned to San Antonio."

No mention of the last fight to make Texas independence secure!

Fortunately one of the active participants in this fight, which occurred some six miles in a northerly direction from the present site of the town of Hondo was the renowned Texas frontiersman, Bigfoot Wallace. In 1899 Mr. A. J. Sowell published a booklet, titled "Life of Bigfoot Wallace", the contents of which were based on facts obtained from personal interviews with the old pioneer during the middle 1890's, while he was in full possession of his mental faculties and the facts as stated can be accepted as reasonably accurate and true.

(To be continued)

SECO PHILOSOPHER AMAZED

That Senator Wants To Discourage City Farmers, Says He Already Has

Editor's note: The Seco Philosopher on his Johnson grass farm probably has misinterpreted the news again, a habit of his. His letter this week reveals.

Dear editor: I was out here on my farm this week sort of waiting around for Congress to solve the farm problem, if Congress can do it, it'll beat anything I've been able to do, when I got to glancing through a batch of newspapers I'd accumulated and ran across an article that made me pull my feet off the couch and sit up and pay attention.

According to it, a U. S. Senator wants Congress to map out a plan to discourage "city farmers" who operate part time on the farm. At first glance, I thought this Senator was behind the times, that Congress had already mapped out a plan that'd discourage not only city farmers but all other kinds.

But after I got into it and read where he said "These city farmers professional men and business men who buy a few hundred acres—help complicate the farm problem," and he wants something done to discourage them, I understood, without agreeing.

I'm afraid the Senator is hunting up something to do to avoid plenty of work already staring him in the face.

If you will talk with these city farmers, you'll find that a good many of em are already discouraged. I don't know whether Congress can take credit for this or not, but something or somebody has done such a good job

of discouraging city farmers that it has carried over to regular dirt farmers too.

I talked to a city farmer just the other day and, after making the downpayment on a farm a couple of years ago, he says he is now willing to let anybody operate the farm for all he can make off it if he'll just agree to keep up the payments for him.

Making money on a farm is easy when you do it on paper, but when you try it out, those paper profits always manage to hide out. Looks like you never can get to the bank with em.

I'd like to suggest to this Senator that he has already succeeded in discouraging the city farmers, that job is well taken care of. Now he ought to concentrate on encouraging the dirt farmer, and if he's shy of an idea, I'd like to suggest that nothing's as encouraging as a good profit.

Yours faithfully,
J. A.

Castro Band Boosters Plan Revue

RIO MEDINA — Monday night, Jan. 23, the regular meeting of the Castroville Band Boosters Club was held in the High School auditorium.

Plans were made to appear on a TV show on Feb. 21 to promote the Gay Nineties Revue to be held the nights of Feb. 23-24 to raise money for the club. A keg of beer was donated to the club and it was decided to raffie the beer intact at the Gay Nineties Revue. The drawing will be held the night of Feb. 24.

D'HANIS NEWS

By Mrs. Amos Finger

Mrs. A. J. Finger and Mrs. Frank Jackson visited at Hondo Monday.

M&M Clifton Reinhart and children and his mother, Mrs. Edgar Reinhart of SA were guests of M&M Paul Reinhart and Miss Lena on Saturday.

The Gentlemanly Way To Kill

One difficulty with traffic law enforcement is that nobody thinks of a traffic violation as a crime.

In a small town, parents would consider it a family disgrace if Junior was arrested for armed robbery or even carrying a concealed weapon. But if he "makes the newspaper" for threatening the lives of others by his handling of the family car, they feel no such stigma. They may reprimand him — but he'll soon be out, with the same weapon, burning up the highways like "an accident about to happen."

Reckless driving of an automobile seems to have become the gentlemanly way to kill. It is taken for granted, in our country, that almost everyone will be arrested, now and then, for breaking a traffic law — that 100 or so of us will be killed each day on the highways and 5,000 or so will be injured. We pay our fines, the families of the dead and injured collect from the insurance companies, and we go on our merry way.

Of course a lot of people are trying to do something about it. But we wonder, at times, if the newspapers aren't partly at fault for the public's nonchalant attitude toward the slaughter on our highways. We wonder, if, by different handling of accident and traffic arrest stories, editors might not be able to create, in their readers' minds, the feeling that a reckless driver is a criminal.

--American Press

D'HANIS NEWS

By Mrs. Amos Finger

M&M Clinton Meyer of Con Can visited M&M Paul Reinhart and daughter, Lena, on Saturday.

Mrs. Emil Brod visited at Uvalde for several days with M&M O. J. Wheat and Jimmy, who had been ill but is recovering now.

Our farmers are happy over the rain we had last week. Some had 1 1/2 inches, while others had less.

Mrs. Frieda Schmidli is very ill at Kerrville, where she is with her daughter, Mrs. Otis Newman and family.

Mrs. Otis Burrell is home from the hospital and is getting along well.

Several from here attended the Sons of Herman inquisition at Castroville Sunday which was attended by other lodges from LaCoste, Biry, Devine, Quihi, Hondo Knippa and Del Rio.

M&M A. L. Braden visited their children in SA on Sunday and Monday.

Miss Joan Carle has returned home from Medina Hospital, where she underwent a surgery last week.

Tom Finger, who was a patient in Santa Rosa Hospital, SA, following an operation, returned home Saturday.

M&M Frank Jackson visited at Leakey Saturday with her brother, Raymond Ney.

Dennis Tschirhart and son of Castroville visited Mrs. Dora Bendele and M&M Fritz Rothe Sunday.

Mrs. Louis Lutz, Mrs. John Rieber and Mrs. Walter Burrell and Karen visited M&M W. F. Knippa at Knippa Monday.

M&M Jimmy Payne of Puerto Rico are on a visit with her parents, M&M Emil Wolff, M&M Bryn Holloway of SA were surprised to find her twin sister at home when they came out for the weekend.

Rio Medina News

By Mrs. Clarence Huegele

Mrs. Alice Rihn and granddaughter, Linda Marie Beck, were in SA Saturday.

M&M Ervin Bourquin are happy over the birth of a son in the Castroville Hospital Tuesday morning, Jan. 17, 1956. The young man is welcomed by two older brothers and a sister. The baby was baptized Saturday, Jan. 21 in the St. Louis Catholic Church. Sponsors were Miss Velma Wurzbach and Dennis Paul Wengenroth. The name given was Stephen Alson.

M&M Alex A. Haby, Jr. had born to them in the Medina Hospital an infant daughter, Jan. 17, 1956. She is welcomed by six brothers and sisters.

Mrs. Rosa Hutzler had a quilting party Tuesday. Those present were Mrs. Alice Rihn, Mrs. Ferdie Carle, Mrs. Philip Haby, Mrs. Russel Haby, Mrs. Hugo Naegelien, Mrs. Mary Balzer, and Mrs. Henry Boehme.

M&M Clarence Huegele and sons had as their guests over the weekend Mrs. Dallas Deckert and daughter, Georgene of Hondo.

Guest in the home of M&M Gus A. Benke and sons of Culebra Road last week was Mrs. Dollie White of Abilene, mother of Mrs. Benke.

Mrs. Joe Sittre, Jr. of SA received a severe burn on her right foot and leg when she accidentally spilled some hot grease on them. Mrs. Sittre is the daughter of M&M Henry Burrell of here.

M&M Kenneth Hans and son, Gregory, visited M&M Clifton Schott and family Friday evening at Castroville.

A-2c David Burrell was home visiting his parents, M&M Henry Burrell over the weekend, David is stationed in Lake Charles, La.

M&M Gus A. Mechler and son, Quincy, of San Antonio, visited Mrs. O. W. Huegele Sunday afternoon.

Visiting and playing cards with Mrs. Felix Stinson Thursday night were, Mrs. Alice Rihn, Mrs. Cora Sittre, and Mrs. Albert Beck.

We had .65 inches of rain Sunday evening.

M&M Gus A. Neumann and son David, visited M&M Clarence Huegele and sons Monday night.

Gus Adrin Benke was able to return to school Monday after a lengthy illness.

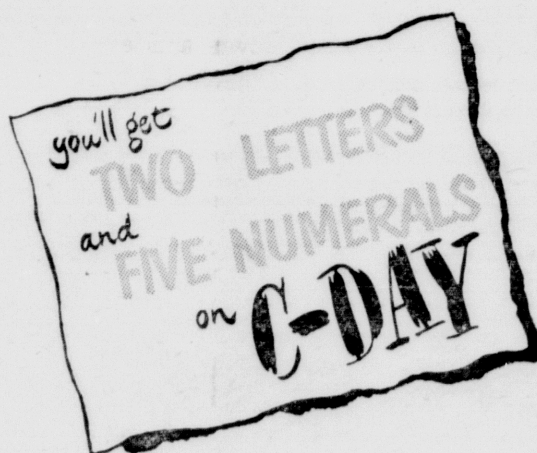

FEBRUARY 5 IS...

"C-DAY"

(Change Day)

HONDO TELEPHONE NUMBERS CHANGE SUNDAY, FEB. 5, AT 1:01 A.M.

At that time, the Metropolitan Telephone Numbering Plan will be placed in operation here and all telephone numbers will have two letters and five numerals. A new central office name will be introduced here. It is "Harrison 6-." You'll get a new directory with all the new numbers before the change.

Just as easy — only different

Beginning February 5, dial two letters and five numerals of the new telephone numbers. For example, to call HARRISON 6-3699, you'll dial H-A-6-3-6-9-9.

When you give a telephone number to the operator, or repeat it to a friend, the easy way to say it is to break it up like this:

"Harrison six . . . three-six . . . nine-nine."

This is the best way to say it — to understand it — to remember it.

The change permits telephone progress

The new plan provides more numbers for telephone expansion. It also will pave the way for the connection of Hondo to the nation-wide long distance dialing network. This important step will enable long distance operators to dial direct to more than 20 million telephones in the United States.

Claude Lovett Jr., Manager

SOUTHWESTERN BELL TELEPHONE COMPANY

One take-off for traffic

-and two for the road

You ought to try Variable Pitch Dynaflo Now!

But comes an emergency—the need to get out of a tight spot—and you discover the Number Three news...

That you can do what a pilot does. That you can switch the pitch of your Dynaflo blades—just by flooring the pedal. And that you get, instantly, a full-power take-off from cruising pace—an electrifying burst of acceleration—the most thrilling safety measure on four wheels today.

This is performance too good to pass up—and you really ought to try it.

It's performance sparked by the whis-

pered might of big new 322-cubic-inch V8 engines raised to record highs in power and compression.

It's performance that goes with the best ride yet, the best handling yet, the best interiors yet, the best styling yet—and, literally, with the best Buick yet.

Come in and see—and be shown—and learn, in the doing, about prices that make these '56 Buicks the best buy yet.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

TAMALE SUPPER MONDAY TO HELP DIMES DRIVE

By Mrs. Harrison Wilson

There will be a tamale supper at the Yancey school Jan. 30, at 6 p.m., proceeds going to the March of Dimes. At 7:30, the Ground Observer Corp will have a program, including a film and discussion.

M&M Roy Wilson and family had a barbecue Saturday night. Those attending were Mrs. E. E. Wilson, M&M Wilbur Wilson and boys, M&M Harrison Wilson, Mr. and Mrs. Nick Wilson, Miss Dora Mae Wilson, Mrs. Theo Lorfing and Linda, M&M Leroy Miller and Claire and M&M Albert Wilson, and family of Hondo; Miss Flady Fisher, Mrs. Van Riper and Mrs. Slavon of SA. M&M Jack Dean of Camp Wood spent a few days last week with their children, M&M Jimmie Dean.

Guests of Miss Dora Mae Wilson for the weekend were Mrs. Slavon, Mrs. Van Riper and Miss Gladys Fisher of SA. M&M Russell Kelly were out for the day on Sunday.

Mrs. W. S. Garnett returned from Austin Wednesday, after spending a few days with the Martin Holters and Bryan Frosts. Arnold and Frank Mueller of Mason visited their sister, Mrs. Herman Faselier and Mr. Faselier recently. There for the day Sunday was their daughter, Mrs. John Martin from Helotes.

Mrs. Henry Kueck of Hondo spent last week with M&M Herman Faselier.

Those attending a sub-district meeting of the W.S.C.S. in Crystal last Friday were Mrs. Nick Wilson, Mrs. L. F. Faselier, Mrs. A. J. Hardt and Mrs. Olin Breden. M&M E. J. Faselier of Poteet were up last week visiting his brothers and sisters, especially those on the sick list. We hear this morning that Mrs. John

Bohmalk and Mr. Herman Faselier are much better.

Everybody's happy over the fine rains that fell the past week. We had 1.10 inch last Tuesday night and a fine mist Saturday. Yesterday a nice light shower fell.

M&M George Wilson and family had for their supper guests Saturday night, M&M Jimmie Heiligman and family, M&M Leroy Faselier and boys and M&M Bob Ralph and boys.

Miss Rosalee Bohmfalk was home from SA for the weekend with her parents the Emil Bohmfalks, Jessie Gibson of SA was also a weekend guest at the Bohmfalk home. Sunday night they all went to Hondo to see the Rolf Bohmfalks and Mrs. Bendele, who are all just up from a siege of the flu.

Guests of the W. B. Meltons Sunday were M&M Roy Hartman and Diane of Hondo.

Sunday guests of M&M G. C. McAnelly were M&M G. C. McAnelly, Jr. of Pearsall and M&M Dick McAnelly and family of Hondo.

M&M Clifford Bohmfalk and family and M&M Theo Cagle and family of Hondo and M&M Lucian Ward and Peggy, visited the Emil Bohmfalks Saturday night. The younger members of the clan went on a coon hunt with Mr. Ward.

HD CLUB DOINGS

The Leinweber H. D. Club held their first meeting of the year at the home of Mrs. Albert Saathoff on Jan. 18 with the agent, Mrs. Strayhorn, six members and one visitor present.

"Getting your money's worth," was the theme of the agent, Mrs. Strayhorn's demonstration.

Bingo was played for recreation, Mrs. Aug. Leinweber was the prize winner.

The hostess served pineapple pie a la mode and coffee.

The club's next meeting will be at the home of Mrs. Arnold Nie-tenhoefer on Feb. 2.

BIRY NEWS

By Mrs. Adolph Hutzler

C. A. Henson is in the Medina hospital having had a heart attack. Everyone is wishing him a speedy recovery.

Col. and Mrs. George McCou-dum of SA visited with relatives Wednesday.

Mrs. George Schmidt and Mrs. Alvin Bader were at Castroville Sunday.

Armin Charles Bendele left for Texas City to visit with M&M Joe Schmidt.

M&M Ralph Hutzler and Timothy of Del Rio, M&M Otto Mann, Jr. and children, M&M Lawrence Tschirhart and children, Mrs. Fir-min Bendele and boys, Clifford Hutzler, M&M Harold Hutzler and girls of SA, Herman Noll and children of Dilley were visitors at the Adolph Hutzler home Sunday.

M&M Sidney Billings and children of Hondo visited at the Frank Rihn home Wednesday.

Mrs. Ida Haass and Mrs. Mummie of Hondo visited with Mrs. J. A. Bendele and M&M Frank Rihn Wednesday morning.

Mrs. Otto Mann, JR. AND Nan of Big Foot, and Mrs. Adolph Hutzler visited relatives at La-Coste Monday.

Here In Hondo

M&M George Bishop of SA were Sunday visitors with her parents, Judge and Mrs. D. H. Fly.

M&M L. F. Laake attended the installation of officers at the Sons of Herman Lodge in Castroville Sunday.

Mrs. C. J. Monkhouse, Mrs. Walter McLaugherty, Miss Helen Lacy, Mrs. Paul Bybee, Mrs. O. A. Fly, and Mrs. Paul Pope attended a sub-district meeting of the district W.S.C.S. in Crystal City Friday.

ST. LOUIS FHA MEETS JAN. 12

St. Louis F. H. A. Chapter held their meeting on Jan. 12, when Roselyn Keller, president of the Chapter, gave a further explanation on requirements for Degree work.

The members were informed that Brotherhood Week will be observed Feb. 19-27. It was suggested that the club sponsor a poem and poster contest carrying out the theme for Brotherhood Week. Dora Martinez and Jane Hernandez are in charge of the entries.

The Chapter Advisor, Sister Mary Noemi, was asked to give a talk to the group on the hospital project. Sister was happy to state that the various groups have completed their volunteer service with one bolt of material being transformed into surgical supplies and other clinical needs. Dr. Fay Wurzbach and Dr. Echebert expressed their appreciation for this good deed and informed Sister the F. H. A. members will be called upon in the very near future to perform some similar tasks.

Delia, to M&M Ramon Soliz on Jan. 21, 7 lbs. 2 1/2 ozs.

COUNTY AGENT NEWS

Since irrigation has been increasing in Medina County, numerous inquiries have been received about growing broomcorn under irrigation. Experimental work on irrigation on this crop has not been carried out in Texas, a letter was written to the Extension Service in New Mexico where it was known that broomcorn was irrigated. The following letter is the reply received from Gordon B. Hoff, New Mexico Extension Agronomist:

"This is in reply to your request for information on growing broomcorn under irrigation. We have no experimental information on irrigating broomcorn. Our practical experience indicates that broomcorn should be irrigated frequently enough to get good growth up until the head is ready to emerge from the boot. The problem seems to be one of having sufficient moisture at the boot stage to carry the crop through to maturity of the production of a low quality brush. The brush will sometimes be coarser than is desired and be stained red. The red stained brush will not take the green dye as will normal brush, therefore, it is discriminated against by the trade.

The soil type will have a lot to do with timing the last irrigation. The last irrigation should be earlier on soils that have a high water holding capacity as compared with sandy or droughty soils.

I hope I have been able to help you with your problem. If you have any questions which I have not answered I'll be glad to hear from you again. Most of our broomcorn is dryland grown but we do have some produced on irrigated land. I have given you what we have been able to observe in regard to irrigating this crop."

QUIHI NEWS

By Mrs. Jack Sharp

Visitors in the home of M&M Ben Wiemers during the week were M&M Walter Saathoff, Mr. and Mrs. Otto Wiemers, M&M Jimmy Gray, M&M Alfred Saathoff, Elgin Stiegler, Theo. J. Wiemers, Mrs. Annie Burgin, M&M W. J. Hartmann, M&M Geo. H. Wiemers, Mrs. Katie L. Muennink, Mrs. Aubrey Mooney and Kathy, M&M Henry Lindeburg, M&M Andrew Muennink, Hubert Hermes, Anton Grell, Janice and Jerry Muennink, and Meryle Wiemers.

Mrs. A. W. Mooney and Kathy and Mrs. W. J. Hartmann were Thursday visitors of Mrs. Katie Muennink.

M&M Wesley Wiemers and children, Evelyn, Dorothy, Betty, and James, attended the wedding of Miss Alva Jean Dornbusch and Donald Welch on Saturday evening at Knippa, Mr. Welch is from Marian, Ohio, but is now stationed at San Marcos. Miss Dornbusch is a third year student in the college at San Marcos.

Friday evening visitors in the home of M&M Aubrey Mooney, Billie and Kathy were M&M Ben Wiemers and Kathleen and M&M Clinton Wiemers and Linda.

Those who enjoyed a birthday dinner with Mrs. Alex Tschirhart Sunday were Mr. Alex Tschirhart, Sr. and Alex, Jr., M&M Hilmer Bendele and children, Larry and Debbie, of SA, Miss Marian Ehlinger, and M&M Edson Oefinger and children, Diane, Stevie and Clyde, Mrs. Emma Tschirhart joined them in the afternoon.

M&M C. C. Cartrett and Mrs. L. L. Jackson of Bandera were guests of Kathleen Wiemers at the Rainbow Assembly Meeting on Thursday evening. After the meeting they visited in the home of M&M Ben Wiemers, Kathleen, and Curtis.

M&M Franklin Muennink are rejoicing over the arrival of Debra Kay on Thursday. The Muenninks have two other children.

Rev. and Mrs. Hornung were Sunday afternoon visitors of M&M Edwin Wiemers.

Sunday dinner guests of M&M Jacob Schwers were M&M Charles Schwers of SA, M&M C. F. Schwers, and M&M Harry Schwers, Larry, and Melissa, M&M Bill Santeleban, Freda and Carolou were Sunday afternoon visitors in the Schwers home.

M&M Jimmy Gray, Frances, Randy, and Pam were Sunday dinner guests of Mrs. Gray's mother, Mrs. Minnie Whetstone, in Uvalde.

Since last week, it became necessary for M&M Bill Wheeler of Corpus Christi to take their little son, Rollin, to Galveston for medical care. Mrs. Frank Muennink is in Galveston with Mrs. Wheeler and Rollin. The little fellow showed enough improvement Sunday, so his father returned to his teaching duties in Corpus Christi. Mrs. Wilkes Wiemers and Mr. Frank Muennink were Galveston visitors on Sunday. We sincerely hope Rollin continues to improve.

M&M C. C. Cave and children and M&M Henry Lindeburg were Sunday afternoon visitors of Mr. and Mrs. Gene Saathoff at Bandera.

M&M Lewis Boehle were in Castroville Sunday afternoon to attend the installation of the officers of the Herman Sons Lodge.

KILGORE'S CAPITOL COMMENTS

THE DROUGHT RELIEF PROGRAM . . . in the form of reduction in price of \$1.00 per hundred pounds on certain feed grains has been extended 60 days, through 15 March, in Starr, Zavala, Dimmit, Frio, Medina, Zapata, LaSalle, Jim Hogg and Webb counties. The program was to have ended 15 January, but the extension was granted after consultations with the Department of Agriculture showed that drought conditions in those counties had not lessened.

ALL THE TALK . . . about a balanced budget for fiscal year 1956 sounds real good, but it results from higher receipts than anticipated and not from reduced spending since during this year spending will be \$1.9 billion greater than was estimated when the President submitted his budget to the Congress last January, and even higher. Total expenditures for the year ending 31 July 1956 are expected to reach \$64.3 billion rather than the \$62.5 billion estimated. The President's budgetary requests for fiscal year ending 31 July 1957 total \$65.9 billion, the largest in the peacetime history of our nation. But the receipts from taxes have also gone up to cover this increase in spending - so the budget may be in balance. I think that we should try to reduce spending in such areas as foreign aid and really balance the budget the old-fashioned way.

A NEW POST OFFICE for Mercedes appears nearer reality according to a letter I received from George Gray, Regional director for the Post Office Department at Dallas who reported that the Department is ready to advertise for bids under the lease-purchase plan. Under this plan a contract would be let to a builder on competitive bids and he would construct the building on a site approved by the department and to specifications set out by the department. The building would then be leased to the government for a specified period of time at the end of which the building would become government property.

YOUNG MEN . . . in the 15th District who are interested in taking screening examinations to compete for appointments to the U. S. Merchant Marine Academy at Kings Point, N. Y., should write me immediately at 335 House Office Building, Washington, D. C. The examinations are scheduled to be held Monday, 12 March at Brownsville, Cotulla, Eagle Pass, Harlingen, Laredo and McAllen. The Maritime Training Officer in a letter to me reported that the Academy will have openings for approximately 330 young men between 17 and 21 years of age who will report to the Academy in August of this year. Applicants in general must be high school graduates and physically qualified for appointment in the Naval Reserve.

BABSON DISCUSSES PROHIBITION

BABSON PARK, MASS., — My father used to say to me: "Roger, avoid the words NEVER and ALWAYS; also do not put dates on your forecasts." In discussing this unpopular subject of Prohibition, I will now observe his advice.

Prohibition Could Return

First, let me say I am not forecasting the success of the Prohibition Party as a political factor. Rather, I am forecasting that one, or both, of the major parties will put some form of Prohibition in their platforms. The curse of the liquor traffic may be no different now than 25 years ago; but there is one great difference.

In 1933 when Prohibition was overwhelmingly defeated, there were no great industries to put up the funds to continue Prohibition, while the great brewers, distillers, and other liquor interests supplied the funds to kill it. Then, however, there were only 20½ million automobiles. Today — with 50 million automobiles — the situation is very different. In the next fight over Prohibition, the automobile industry (now the second largest) which includes manufacturers, sales agencies, the great gasoline industry, as well as the owners of property rented by these interests, should heavily support the Prohibition cause. And this group is increasing every year as more cars go on the roads. There are now over 225,000 filling stations earning nearly a billion dollars annually.

Preventing Accidents

Safety belts, compulsory car inspections, canceling of licenses, and even jailing offenders should help prevent accidents or make them less serious. However, none of these things seem to be effective. The main cause of accidents is with the brain of the driver. Hence, the great importance of insisting upon drivers keeping in line and not passing except where specifically permitted.

The basic reason why drivers disobey traffic rules, crossing lines, driving fast, ignoring intersections and signs, is lack of mental control. People are all too willing to take chances. But civilization has progressed by a constant tempering of this instinct to risk, by education, religion, and laws working toward the development of self-control. This is a very important fact which parents and teachers should recognize.

Liquor And Self-Control

There are three biological effects of drinking. 1. Drinks "pep" one up. Liquor, even in very small amounts, gives people temporary courage to do and say things they otherwise would not. 2. Drinks enable people to forget, but this means forgetting driving rules as well as troubles. 3. Drinks are habit-forming. No one ever expected to become a slave to drink when he started simple social drinking.

Not only are automobiles increasing every year by several million and the population by about 3 million, but the age when young people start to drink has lowered. The cocktail party, along with the above-mentioned factors, has made liquor a national problem which must be conquered. It may get worse before Prohibition, in some form, returns; but it is a sure forecast that it will return. Perhaps one plan would be to prohibit sales to those holding drivers' licenses. Even the new four-lane turnpikes do not solve the difficulty, as they develop a "sleepitis."

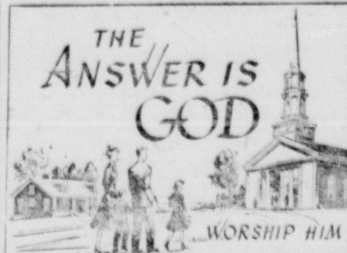

New Prohibition Is Different

How the liquor curse will be handled, I do not know. As my friend, Delecevere King says, it is a problem of the three E's: — Education, Engineering, and Enforcement. The most common suggestion is that we all have a license either to buy liquor or to drive a car. This, however, will not alone solve the cocktail-party danger and the fact that the self-control and judgment of many individuals are not affected by a little liquor — while others are affected almost by the smell of it!

I hope readers will not take this column as propaganda for Prohibition, as I believe the person who does not drive a car has a right to drink. However, with 99 being killed each day and one seriously injured every 25 seconds, and these figures constantly increasing, something radical must be done. Also, unless the brewers and distillers themselves "see the handwriting on the wall" and help solve the problem, the securities of such companies face a terrific decline, as happened when Prohibition went into effect in 1919.

CHURCH NEWS

The Anvil Herald offers free space for announcements to all churches in Medina County. If your church is not represented in this column, please get the information to the Herald office before 10 a. m. Tuesday morning. To assure accuracy, we ask that the notices be submitted each week if there is any change.

CASTRO C.Y.O. CHAIRMAN SELECTED

CASTROVILLE — At the Jan. 12 meeting of the St. Louis C.Y.O., committee chairmen and their helpers for the year 1956 were chosen by Father David Meurer. Father Meurer explained the various purposes and duties of each of the committees.

They are: Religious committee, Laurel Jean Cordor, chairmen, Rosalie Stein and La Verna Kempf; Cultural committee, Dennis Haby; Physical committee, Maurice Etter, chairman, and Wilfred Haby; Social Committee Helen Mann, chairmen, Nancy Haby and Justin Jungman.

Plans were made regarding a Deanery Meeting which is to be held at Castroville on Feb. 19 at Koenig Hall, Nancy Haby, Emil Zinsmeyer and Rodney Tschirhart were appointed as the Social Committee for the meeting.

Rosalie Stein and Helen Mann were put in charge of leading the Rosary after the 7:30 Mass on Sundays.

The Social Committee is completing plans for a card party to be given for the C.Y.O. members on Jan. 25.

Altar Society Installs

Officers Jan. 18

Installation of officers was held at the first meeting of the St. John's Altar Society on Jan. 18. Reports were given by the chairmen of the various committees. The new chairmen will be appointed at the February meeting.

Mrs. Wm. Braden became a member.

Hostesses Mesdames Frank Graff, Henry Flory, Charles Finger, Charles Graff and Miss Emma Graff served doughnuts and coffee during the social hour.

Speech Jan. 20

Father Joseph Till, of the Chancery office in San Antonio, gave suggestions on keeping discussion clubs active and interesting, to an enthusiastic group, in the parish hall, on Jan. 20.

A social hour followed during which cookies and coffee were served.

KILGORE'S CAPITOL COMMENT

By Joe Kilgore

It Was Harder Than Ever . . . for anyone to keep his feet on the ground in Washington this week. This time it was caused by the worst ice storm in 10 years.

THE PRESIDENT'S MESSAGES . . . on his farm program and school construction proposals were read to the Congress this week and work on them has begun. It is likely that by the time you read this the House Committee on Ways and Means will have voted out a bill to remove the two cents federal tax on gasoline used on farms, and work on an overall farm program is already under way.

WORD COMES . . . from the Galveston District Office of the U. S. Corps of Engineers that bids have been asked for three projects in the 15th District. The first of these is for construction of dormitories, a dining hall, officers quarters and an administration building at the Laredo Air Force Base, for which bids will be opened on 30 January on the construction of an Aircraft and Warning Station to be constructed at Eagle Pass and on 31 January bids will be opened on a similar radar station scheduled for construction at Zapata. No date has been set for construction on any of the projects.

THE SAYING GOES . . . that all work and no play makes Jack a dull boy, but such certainly is not the way it turned out for five Crystal City Boy Scouts ranging in age from 13 to 16. These boys, all Eagle Scouts from Troop 96 in Crystal City are Samuel M. Anderson, Jr., James E. Roberts, Thomas W. Templer, Geo. C. Tucker and Sam L. Guyler. To them, for their work in scouting, should go the highest praise and I for one am happy to congratulate them.

VISITORS . . . in the office during the past week included Riggs Sheppard, manager of the Medina Electric Coop at Hondo.

IT'S GOT ALL TEXAS
TALKING!

...The TEXAN...
--BY DODGE

Choice of this dashing Lancer Hardtop or the big, rangy 4-Door Sedan

The Texan by Dodge!

A handsome, rugged car big as all outdoors, with the surging power of a quarter horse, sweeping lines of a gull in flight, the relaxed touch of push-button driving!

The Texan is built for Texas driving. It skims swiftly along the big broad highways, it rips over hills like a hungry cougar, it takes the bumpiest, ruttiest, sandiest road and comes back for more. Powered by the mighty engine that busted the AAA record book wide open at Bonneville Salt Flats, it gives you the same superior engineering and design that made Dodge the greatest sales-gainer in the industry in 1955.

Plenty of special features, too... specially designed interior trim, special paint combinations, jaunty twin exhaust pipes, and other smart touches. The Texan's name is proudly blazoned on both rear fenders.

Truly a beautiful car to be admired by you and your fellow-Texans.

Best of all, the Texan is priced right down with the so-called "low-priced three." Yet it's big and powerful and luxurious... rivaling cars costing as much as a thousand dollars more! Visit your nearest Dodge Dealer now and drive the Texan!

PAGING THE LADIES

Honor Couple Jan. 4 On 50th Anniversary

A group of relatives and friends surprised Mr. and Mrs. F. G. Senne on January 4, the honorees' 50th wedding anniversary, with a buffet supper and card party at their home.

Mrs. Albert Saathoff, President of the Women's Missionary Society, St. Paul's Lutheran Church, presented the couple with a beautiful table lamp, the gift of the Society to their member, Mrs. F. G. Senne. Attending the party were the honorees and M&M Elmer Rahe and children, M&M Bruno Schweers, M&M John F. Scheller, M&M Roy Hartman, M&M Willie Leinweber, M&M Ed Moehring, M&M Albert Saathoff, M&M Ray Hickey and children, Mrs. Ida Schuehle, Mrs. Robert Nietenhoefer, Mrs. Annie Hartman, Mrs. Bob Miller and son, and Mr. Fritz Martin.

Dinner Jan. 8
On Sunday, January 8, Mr. and Mrs. Bob Miller honored Mr. and Mrs. F. G. Senne with a dinner on the occasion of their 50th anniversary. The table was laid in white linen and white-and-gold Bavarian china. Gold-colored streamers, tied with bows, extended from the centerpiece, a hand-carved birchwood candelabra with four white tapers in an arrangement of mistletoe branches.

Shower Honors Mrs. John Huie

Thursday morning, Jan. 19, Mrs. John Huie was the honoree at a surprise pink and blue shower at her home. Guests presented her with gifts, and then served refreshments.

Those attending were Mrs. Bill Fry, Mrs. Chester Heyen, Mrs. Leo Heirman, Mrs. A. G. Hollaway, Mrs. Joseph W. Hollaway, Mrs. L. J. Leinweber, Mrs. Joe Mims, and Mrs. Cecil Schill.

Miss Erlene Lutz

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Erwin Lutz of D'Hanis announce the engagement of their daughter, Miss Erlene Lutz, to Raymond Mumme, Jr., son of Mr. and Mrs. Raymond Mumme of Hondo.

The wedding date will be announced later.

Miss Bippert Complimented

CASTROVILLE — Miss Betty Lee Bippert, bride-elect of Lloyd Wengenroth, was complimented with a pottery shower on Thursday evening at the home of Mrs. Carl Anderka. Cake, coffee and hot chocolate were served buffet style to twelve guests.

Hostesses were: Mrs. Carl Anderka, Mrs. Ernest Bippert, Mrs. Lester Boehme, Mrs. John Schuehle, Jr., Mrs. Gilbert Kempf, Mrs. Gerald Luckey, Miss Thekla Stiegler and Miss Dorothy Bippert.

Shower Tea Sunday In LaCoste

CASTROVILLE — Miss Dora Thoma, bride-elect of Lee Tschirhart was honored with a miscellaneous shower tea on Sunday afternoon at the home of Mrs. Francis Biediger in LaCoste. Receiving the guests with the honoree were Mrs. Francis Biediger, Mrs. Edward Thoma, mother of the bride, Mrs. Idella Tschirhart, the groom's mother, and Miss Laura Thoma, sister of the bride.

The serving table was laid with a white lace cloth, centered with a floral arrangement of pink and white mums.

Alternating in serving the coffee were Mrs. Bernie Hazur, and Miss Laura Thoma, sisters of the bride. Serving the cake were Mrs. Reynold Keller and Mrs. Alfred Kauffman, Miss Roselyn Keller presided at the bride's book in which 50 guests registered.

Hostesses were: Mrs. Reynold Keller, Mrs. Francis Biediger, Mrs. Ferdinand Tschirhart, Mrs. Alfred Kauffman, Mrs. Joe Adam, Mrs. Gabe Tschirhart, Mrs. Adolph Zinsmeyer, Mrs. Idella Tschirhart, Mrs. Joe F. Haegelin and Miss Roselyn Keller.

Mrs. Jagge Installed

Sister Ida Jagge was installed president for Victory Lodge 161, at the installation of officers, in Castroville, on Jan. 22. Other officers installed were Alice R. Wiemers, vice president; Ellen P. Gooding, secretary; and Olga M. Laake, treasurer.

Also, sisters Lillian Grell, Bernice Hermes and Elva Krenmueler, finance committee; Elizabeth Boehle, guide; Thelma K. Brucks, inner guard and Nettie Koch, outer guard. Installing officers were Joe Steine and Hugh Meyer.

R. W. Stappenbach assisted by other members attending from the lodge were sisters Minnie Nietenhoefer, Lorene Bendele, Hattie Bryant and Ina Weber.

MRS. WINSTON LESTER

—Cut Courtesy Devine News

Recently Married Couple In School At San Marcos

Mr. and Mrs. Winston Lester are living in San Marcos where they are attending college at Southwest Texas Teachers College. They were married September 18, 1955 in the First Methodist Church at Johnson City. Miss Charlene Bippert was the bride's attendant.

Mrs. Lester was the former Miss Olive Oliver, daughter of Mr. and Mrs. C. W. Hairrell. Winston is the son of Mr. and Mrs. Frank R. Lester.

Mr. and Mrs. Lester are graduates of Devine high school and are attending San Marcos Teachers College. Mr. Lester attended Southwestern University, Georgetown, for one year where he was a member of the Phi Delta Theta fraternity and

the Student Senate.

Mrs. Lester is majoring in Elementary Education and Mr. Lester has chemistry as a major.

MISS MARIE JOHANNA

NOLL, daughter of Mr. and Mrs. Herman Noll of Dilley, will marry Clifford T. Hutzler, son of Mr. and Mrs. Adolph J. Hutzler of Devine on Feb. 13. Her parents announced their engagement this week. The wedding will be in St. Josephs Catholic Church, Dilley.

Newlyweds Honored At Supper 22nd

Mr. and Mrs. Walter Balzen and Mr. and Mrs. Monroe Haass of Dunlay honored Mr. and Mrs. Tony Haass, newlyweds, with a barbecue supper Jan. 22, at the home of Mr. and Mrs. Walter Balzen.

Supper was served to the following: M&M Wm. Lambert, M&M Stanley Lambert and Teri Beth, Mrs. Eph. Caffie, M&M Alfred Balzen, M&M Richard Balzen, Tommy, Billy and Bobby, M&M George Woffel, Peggy, Martha and George Jr., M&M Geyhardt Heye and Gerry, M&M Chester Bryers, Brenda and C. W., M&M George Bowen and sons, M&M George Foreman, M&M Jack Warren, M&M James Markland and Laird, Mrs. Lena Balzen, Miss Maggie Balzen, M. M. E. S. Sauls, and M&M Elmo Bendele, all of San Antonio.

Also present were M&M Howard Haby and children, M&M Fritz Fous, M&M Alvin Balzen, M&M Andy Oefinger, M&M George Balzen, M&M Edwin Schulte, M&M James Schulte and Gary, and M&M A. C. Roeder, all of Dunlay, and M&M Ralph Pancast and Debbie of Houston.

Also M&M John Walker and Sandy, M&M B. J. De Joine, Jr., Mrs. Ray Phaneuf and the hostesses, M&M Walter Balzen and M&M Monroe Haass.,

M&M Tony Haass received many gifts.

SELLING TICKETS IN ADVANCE FOR SUPPER

Tickets are being sold in advance for the Mexican supper being sponsored by the High School Parent Teachers Association.

Mrs. Welton Meyer at Leinweber Appliance Store is selling them and she asks that folks purchase them before 6 p.m., Friday.

The supper is to be held Saturday night, Jan. 28, in the high school cafeteria.

William Schulte Feted By Parents

William Schulte was surprised with a party on his birthday at the home of his parents.

Present were: M&M Arthur Schulte, M&M W. L. Saathoff, M&M Alfred Saathoff, M&M Lynn Haby, M&M Johnny Walker, Mr. and Mrs. John R. Wentz, M&M Larry Coyle, M&M William Schulte, Clenus Saathoff, Willie J. Saathoff, Rudy Green, Lonnie Schulte, Archie Gerdes, Meryle Wiemers, Tresia Saathoff, and Sandy Walker.

The evening was spent playing buncos with prizes awarded to winners.

Refreshments consisting of chicken salad on lettuce, crackers, chips, cake, mints, punch and coffee were served.

MR. AND MRS. C. THOMAS BERTSCH

TATE-BERTSCH NUPTIALS SOLEMNIZED JANUARY 13

The wedding of Miss Patsy Joyce Tate, daughter of Mr. and Mrs. F. H. Tate of Hondo, and C. Thomas Bertsch of Oregon City, Ore., was solemnized at the Hondo Church of Christ Friday afternoon, Jan. 13, 1956. Brother Luther Norman performed the double ring rites.

The groom is the son of Mrs. Zeldabeth Bertsch of Anchorage, Alaska.

Mrs. Joe Davis was pianist for the ceremony. Vases of white gladioli and fern were used on each side of the pulpit.

Wearing a wedding gown of lace and net over white satin, the bride entered with her father who gave her in marriage. The dress was ballerina length and was completed by a white lace jacket. She carried a white Bible and white gardenia and carnation bouquet.

The bride's sister, Miss Jean Tate, served as her maid of honor. She wore crystalline sheer taffeta designed on princess lines, used white accessories and carried white carnations.

The bride's mother wore brown faille with beige accessories. The groom's mother chose black crepe suit with black and white accessories.

Best man was Jackie Mayfield of Alice.

A reception at the home of the bride's parents followed the wedding. The table was covered with net over white satin. The cake was iced in white and adorned with confection rosebuds, angels and a miniature bride couple. It was served by Miss Barbara Braden, Miss Virginia Clements served fruit punch.

Following a three-day trip to the hill country, the newlyweds are at home at 1815 Culebra in San Antonio where the groom is a senior at St. Mary's University and is also employed in the public relations office.

The bride has been serving as a receptionist for Dr. John H. Jennings.

HIGHLIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

AUSTIN — Talking to some 250 newspaper people, Sen. Price Daniel took the spotlight in Austin when he made public his current thinking about the race for Governor.

Senator Daniel said it was the largest press conference he ever had held. It followed his talk on the program of the Texas Press Association's Mid-Winter Meeting.

Anticipating the first question, he began the conference by stating that he intended to complete his first term in the Senate unless the people of Texas "call me home to take a more important job."

He set March 1 as his deadline for disclosing his decision on a possible race for governor.

Should he decide to run for governor, Daniel said he would not resign from the Senate until after his nomination. But he would resign in time to give the people the "freest possible choice" in selecting his successor.

In reference to rumors that a job "trade" was being considered between him and Gov. Allan Shivers the junior senator said that he never had and never would consider a political trade-out.

In further reference to his political future Daniel said he will not run for reelection to the Senate in 1958, unless pressing and unfinished business demands that he do so. He drew considerable applause when he stated that "I would rather be governor of Texas than President of the United States."

Daniel's appearance in the Capital City temporarily drew some of the interest away from the currently involved insurance investigation.

It still goes on, however. Some good news made the headlines when it was announced that, according to present estimates, U. S. Trust depositors, policyholders and other creditors may receive

from 70 to 85 cents on the dollar.

Meanwhile both the Senate and House investigating committees were at work.

Making a strong start, the House committee planned to continue its four-point investigation: 1. How to help US Trust victims get back the most possible as soon as possible; 2. Inquiry into charges of influence for and against legislation; 3. An attempt to trace over \$50,000 in US Trust checks issued to "cash" about the time A. B. Shoemaker, US Trust president, was lobbying on insurance legislation; and 4. How to prevent recurrence of similar situations.

A parade of Senators has testified before that group. One upshot has been an increasing clamor for passage of lobbying regulations next session.

Insurance Commissioner Chairman J. Byron Saunders told the House committee that the blame for conditions should be shared three ways. The insurance industry wasn't sufficiently alert; the Legislature was partly to blame; and previous insurance commissions had been "derelict" at times. Later he qualified the "derelict" to say he meant no particular individual or commission, and certainly not the present commission.

Saunders predicted that under present insurance laws, no company could set up an operation similar to US Trust.

Life Insurance Commissioner Garland Smith, apparently under tension of recent developments, went to the hospital with stomach trouble. His condition was believed not serious.

First trial on criminal charges resulting from the insurance investigations is expected to get under way early next month.

Travis Co. Dist. Atty. Les Procter said he hopes to bring to trial three Beaumont men under

indictments for perjury. All were connected with the now-defunct Texas Mutual Insurance Co. of Beaumont.

Austin Mother Cited
Mrs. Eugene H. Bird, a polio victim, and mother of five small boys, has been named Texas polio mother of the year for the 1956 March of Dimes. Her husband is an Austin city policeman. She was selected from a large group of nominees submitted to Maj. Gen. K. L. Berry, state March of Dimes chairman.

Death Was Sacrifice

George C. Menzies, state health department entomologist, died of rabies, according to Dr. Henry A. Holle, state health commissioner. Menzies, who died several weeks ago, had been working, with others, on a bat-rabies study. Definite cause of his death was not immediately known, and post-mortem examinations were made. As there were no signs of bites on his body, Menzies' death has provided scientists with the fact that one can contract rabies without having been bitten.

Short Snorts

Money recovered by the state on veterans land deals now totals about a half-million dollars said Atty. Gen. John Ben Sheppard after another payment of \$69,838 was made. Number of patients in state mental hospitals declined 230 during the first quarter of the new fiscal year. Larger staffs and use of new tranquilizing drugs were given credit for the faster discharge rate. Texas crude oil allowable for February will be 16,592 barrels a day more than in January, with a statewide pattern of 16 producing days. Livestock producers in 39 Texas counties are eligible to buy feed under the federal drought emergency pro-

gram. Secy. of Agri. Ezra Benson also extended the time for 34 counties already participating in the program. Texas's juvenile delinquency rate has jumped from 15 per 1,000 children in 1953 to 18 per 1,000 children in 1955, reports the Texas Youth Development Council. Former Gov. Coke R. Stevenson, 67, and his second wife, who is 38, now are the proud parents of a daughter born at their ranch home near Junction. John Wood, 72, chairman of the Texas Highway Commission in 1934-35, while Miriam Ferguson was governor, is seriously ill with an intestinal ailment. He was admitted to an Austin hospital on January 21. An Award of Merit was presented the Texas Highway Department by the Lions Club of Texas for outstanding public service "in designing and building of modern highways." Reports from the Railway Commission are that oil well completions are lagging behind last year, with 695 wells brought in so far as compared with 713 in the same period of 1955. Gas well completions were 75 this year, 49 last year, for the same early part of January. Medical reports from Waco say that A. B. Shoemaker, president of the defunct U. S. Trust & Guaranty Co., will be "all right, physically and mentally" says the report. Ten forgery and ten felony theft indictments against B. R. Sheffield of Brady, one-time business associate of former land commissioner Bascom Giles, all growing out of veterans' land transactions have been scheduled for call in Travis County District Court on bable trial during February. Texas' population has increased 11 percent between the 1950 census and July 1, 1955, reaching a total of 8,563,000, according to the latest census report.

M&M Frank Meny and M&M Wesley Hutzler and children, Gary and Peggy, took a trip over to New Braunfels Sunday.

M&M Charles R. Bauerlein were in Hondo last Sunday on VFW business and visiting M&M Louis George, owner of Hondo Courts.

Max Grossenbacher of Eagle Pass and Joe H. Lanum of here were in SA Monday.

Pearl Beer Sales Set New Record

Sales of Pearl beer during 1955 were the highest in the company's 69 years of business, Pearl brewery officials have announced. H. B. O'Brien stated that Pearl sales in 1955 were the greatest in the history of the Pearl Brewing Co.

Referring to 1956 Pearl beer sales, Datus E. Proper, vice president and general manager, said, "With expenditures of over \$400,000 this past year on new equipment, we will increase our capacity from 1,150,000 barrels to 1,300,000 barrels by March of 1956 in anticipation of a bigger demand for Pearl beer in 1956."

Settlement News

H. D. Club News

By Mrs. Estella Strayhorn

The home demonstration clubs will not have educational booths at the Livestock Show this year. They will have a For Sales Booth and the Biry & Yancey club will be in charge on the 7th and the Leinweber and Murphy clubs on Wednesday. Each club is to send their items to the show grounds by 8:00 of the 7th.

Recreation School in Pearsall

Mrs. Gladys Sollock, Mrs. D. G. Odum and Mrs. D. E. Hunter of Devine, Mrs. J. J. Heisser of LaCoste, Mrs. Floyd Cole of Natalia and Mrs. Wendell Griggs, Castroville, attended the training school in Pearsall given by Miss Lucille Moore. A similar school will be held in Medina county to train leaders from the other clubs.

Best Food Buys for Feb. Are:

Potatoes, pork, beef and grapefruit top the plentiful list for February.

Potatoes are being consumed in decreasing amounts because they are thought to be fattening. A medium sized potato contains about 100 calories. The thing to watch is the butter and gravy that is commonly eaten with the potato. Potatoes are a good source of vitamin C; contain B vitamins, iron and other minerals besides being a good energy food.

Red meat supplies for 1956 are expected to equal those for 1955 and a wide variety of kinds and cuts of pork and beef are available. Pork is a top source of vitamin B as well as iron and phosphorus.

Grapefruit, cabbage, celery, rice, broilers, fryers, milk and other dairy products, vegetable fats and oils, peanut butter, lard and canned tuna round out the plentiful list for February.

COLLEGE STATION — Medina County 4-H Club members 14 years of age and over are being invited to compete with club members from all over Texas for 148 expense-paid trips to state and national 4-H Club events in the Texas 4-H Club Junior Leadership program, it was announced by Floyd Lynch, State 4-H Club Leader.

Nothing without wings climbs like a '56 Chevrolet!

The new '56 Chevrolet handles hills like they aren't even there! Aim it up a steep grade . . . and you'll see why it's the Pikes Peak record breaker!

Ever level off a mountain with your foot? Nothing to it. Just point this new '56 Chevy uphill and ease down on the gas.

Up you go with a quiet (hydraulic-hushed valve lifters now in all engines — V8 or 6) rush of power. This is the car, you know, that broke the Pikes Peak record. The car that conquered towering grades and vicious turns to prove its superior performance, handling ease and cornering ability.

These are built-in qualities that mean more driving pleasure and safety for you. Chevrolet also offers such safety features as seat belts, with or without shoulder harness, and instrument panel padding at extra cost.

You've a choice of 19 frisky new Chevrolets all with Fisher Body and with horsepower ranging up to a new high of 205. Drop in, when you have a chance, and drive the new record breaker!

Barth, Saathoff Enlist In Navy

Two Hondo men were enlisted in the U. S. Navy recently under the Navy's Buddy Program, it was announced by Chief William H. Smith, Navy Recruiter from Uvalde.

Emil George Barth and John Henry Saathoff were enlisted as Airman Recruits on Jan. 17 in Houston, and transferred to the U. S. Naval Training Center, San Diego, Calif. for nine weeks recruit training.

Upon completion of recruit training and 14 days recruit leave, they will be assigned to one of the Naval Aviation Air Stations or an Air Craft Carrier.

Barth is the son of Mrs. Katie Barth who lives at 1205 25th St., and Saathoff is the son of Mr. and Mrs. Marshall Henry Saathoff.

PERFORMANCE made it the Largest Selling "8" in the World...

the FORD V-8

Just look at these official registration figures
for the first 11 months—January
through November, 1955

Here's why!

People just naturally go for 8 cylinders
in the FORD package!
And to a world record extent!
Just think, in the first 11 months of
1955 alone, 344,496 more people bought
Ford V-8's than the two other low-
priced competitive eights combined!
Of course, the reason the Ford V-8 is
the largest selling eight-cylinder car in
the world is that more people like its

brand of performance—the kind that
comes with the car!
These people aren't amateurs in
judging engines. Nearly 24 years of
building Ford V-8's to supply their
demand is convincing proof of that.
And the Ford V-8 of today is the best
yet... by a country mile!
Smoother and quieter—you can
scarcely hear it, even with the hood up!

Sassier—just ask the highway patrol
officer who drives one. He knows it
takes a Ford to catch a Ford!
And, for the very practical question
of durability—ask a Ford cab driver. He
knows how Fords take it days on end.
So, if it's performance that you want
—and wrapped like a gift—the '56
Ford V-8 is your baby.
Come in... try it today!

ROBERT ZUBERBUELER

When The Fire Whistle Blows...

Anvil Herald, Hondo, Texas 11
Friday, January 27, 1956

The Anvil Herald is presenting
this public service feature as a
tribute to our excellent Volun-
teer Fire Department.

"As volunteer firemen for the
City of Hondo, we don't receive
pay for the work we do," Robert
Zuberbueler, a ranchman-farm-
er, said. "But after serving with-
out a break for 20 years, we
receive \$25 a month after retire-
ment."

Robert commented on what
VFD member C. G. Jackson had
to say about minimum utility
rates from the city for members
of the Hondo VFD. "I think it
is a wonderful idea and hope the
city will recognize the service the
firemen give by allowing them a
low rate," he said.

Robert has been a fireman for
eight years and has enjoyed every
minute of the fellowship in the
VFD. He commented that the
team work learned in practice

and actual firefighting has been
an invaluable asset in his other
interests.

Mrs. Zuberbueler and their five
children, Mary, Susan, Tommy,
Charles and Bobby form Robert's
personal cheering section when it
comes to his firefighting career.
The younger children, especially,
look forward to family night at
the fire station so they can ride
the trucks and inspect them min-
utely from radiator cap to the ex-
haust pipe.

Robert has served as a director
of the VFD, and, at present, is
a member of the Insurance and
Retirement committee. "This
particular type of insurance went
into effect about four years ago,"
He commented, "and it is a won-
derful thing for all of us. How-
ever, a man must serve continu-
ously for twenty years in order to
receive the \$25 per month retire-
ment check at the end of his
twenty years."

State Bar Urges Disbarment Of Guilty Lawyer-Legislators

Directors of the State Bar of
Texas meeting in Midland urged
reprimands or disbarment for
lawyer-legislators judged gui-
lty of professional misconduct.

The directors formally request-
ed local grievance committees
"to investigate all instances of al-
leged misconduct" on the part of
attorneys who also are members
of legislative bodies. They also
directed a committee to consider
the question of whether existing
canons and rules applying to at-
torneys should be strengthened
or clarified.

State Bar president Maurice R.
Bullock of Fort Stockton, said the
resolution adopted by the direc-
tors was the result of investi-

gations into insurance scandals.
Bullock said, however, that the
suggested action would apply to
lawyers serving in any legisla-
tive position — national, state or
local.

Bullock said that if the grie-
vance committee rules against
any lawyer-legislator accused of
misconduct, the bar either would
issue a private or public reprimand
or go into district courts
with suspension or disbarment
proceedings.

"Every lawyer should under-
stand that the canons of ethics
of the legal profession must be
strictly observed no matter in
what capacity he may serve,"
Bullock declared.

SPEAKING OF SPORTS

By Dr. John H. Jennings

University of Texas Interested
Bully Gilstrap, the University of Texas football talent scout, was in town again Tuesday and he did not come just to eat dinner. He cornered Hondo's favorite threesome of Angermiller, Muennink, and Schulte once more, I know absolutely nothing officially, but it is obvious Texas is strongly interested in ALL three boys.

Gilstrap stopped by to see Cliff Sadler as he came into town and made the remark to Cliff that someone had called him "nuts" to want three boys from one Class A team... to which Gilstrap replied that three pretty good boys came off the 1934 Owl team... Ted Dawson, who later captained the University of Texas and was all-conference Jake Schuehle and Floyd Mechler both stars at Rice, Jake getting All-American mention. We can go further on that '34 team too for Carroll Jones and Kyle Muennink played for Schirmer... and Johnny Mummie and Ben Oefinger for A & I... so that is seven boys off one team to play college ball!!

Owls Stomp San Felipe
The Owls rang up their 3rd District 29-A win in 3 tries last Friday as they easily defeated San Felipe 65 to 47. It was a team victory as the scoring indicates. Johnny Windrow was high with 15 points and was closely followed by James Hamm 14 while Alvin Hartman and Jimmy Leazenby got 13 each. Ray Highsmith chipped in 7 and Johnny Meyer 3. Big Alvin Hartman and Jumping James Hamm did another fine job of controlling the backboards. San Felipe's Torres was high point man for the night with 25 as he found the basket with numerous long shots that appeared impossible to make.

Conference Games
Girls 6:30 -- Boys 8:00
January 27, Cotulla, There Boys & Girls.
January 31 Crystal, There Boys & Girls.
February 3, Carrizo, Here Boys & Girls.
February 7, San Felipe, There Boys.
February 10, Pearsall, There Boys & Girls.
February 14, Cotulla, Here Boys & Girls.

Owls Taste 1st Defeat
The Pearsall Mavericks gave the Owls their first District loss Tuesday night but before the fans were wilted from excitement. The final score was 54-41, but the game was much closer. Pearsall jumped off to a nice lead but the Owls fought back for a close 24-23 half time deficit. The Owls were in trouble though for reliable Johnny Windrow had 4 fouls and with only one left, it was only a question of time when he would go out. The lead rocked back and forth in the 3rd quarter as Pearsall held a 40-38 lead as the buzzer sounded. Windrow fouled out as the 4th period began and soon after the point spread began to widen as Pearsall scored 14 points to 3 for the Owls.

Pearsall was uncanny with their free throws as they sank 24 of 33 and this provided their margin of victory. The Owls made good 11 of 22 free throws. Spark Plug Jimmy Leazenby was high point Owl with 16, while Alvin Hartman dropped in 12 and Windrow 7. Highsmith got 3, Hamm 2 and Butch Smith 2. Pearsall's Gardener and Cox also got 16 points.

Strong District
The game was fast and furious and a crowd pleaser... Pearsall has a fine ball club and if they have lost two District games, it only points out that the District must be very strong this year. The Owls have District favorite Cotulla yet to play in the 1st round of conference play... then the 2nd and final round begins. We urge all fans to get out and see these basketball Owls. If you like sports at all... you will like what you see... if you stay away, you are cheating yourself of some wonderful and exciting entertainment... As it stands now... Hondo, Cotulla and Crystal City are all bunched at the top of the standings... with Pearsall in close pursuit.

Owlets Win
The Owlets found the Pearsall gals an easy match in the 6:30 contest as they racked up a score to read 27 victory. The half time score read 21-11 and 27 to 21 at the end of the 3rd quarter. Nelda Muennink was high scorer with 17 and was followed, by my idea of a real future star, as Soph. Sara Moore got 13. Joylene Tilley rounded out the scoring as she bruised in with 7.
Connie Schweers, Hasey Eckhart and Sandy "Rocky" Meyer were the defensive starters and were later helped out by June Moos, Diane Pope and Carol Rath. All did a fine job of holding Pearsall to a low score.

Junior Owls Busy
Coach James McDaniels' Jr. High Owls are off to a flying start having played 4 games and winning 3. Their 1st win was over Castroville 26 to 25 last week. Then last Saturday the Jr.

Owls won the consolation championship in the Cotulla tournament and brought home a trophy for their efforts. The boys were defeated by Pearsall in the opening game 29 to 24 but their spirited 2nd half after being behind 24 to 6 was almost as encouraging as a victory. It is good to see these Owls of the future already learning what it means not to quit or get discouraged when the odds are against you. That type of spirit will mean many Owl victories in the years to come. Charles Neuman and Dale Lindeburg got 7 points apiece... while John R. Schuehle and Lindeburg seemed to provide the last half spark that came close to victory. In consolation play, the Jr. Owls defeated Crystal City 20 to 18 and then defeated Asherton 44 to 21 as the boys seem to have found themselves. Co-Captain Charles Neuman with 18 points and Sidney Mercer with 12 led the Hondo scorers. Here are the boys who made the trip: Charles Neuman, Sidney Mercer, Dale Lindeburg, Cliff Sadler, Mike Moore, James Clower, George Brucks, John R. Schuehle, John Corbell, and Louis Schmitz.

Thursday Night Activity

The Jr. Owls play a 6:30 game in the high school gym Thursday January 25th against the Eagle Pass Jr.'s. Then at 8 p.m. the Owl "B" team and Eagle Pass "B" try each other.

Group Hears Wildlife Biologist

Bob Mauerman, State Wildlife Biologist, addressed members of the Medina County Wildlife Association, at their first meeting of 1955 held in the Elementary School Auditorium, Friday, Jan. 20. His topic was on quail, turkey and deer management. Mauerman started his wildlife work for the state here in Medina County in 1935.

Gene Walker, Director of Restoration Division with the Department in Austin, also spoke and both men held open discussion answering all questions pertaining to problems of restocking quail, turkey and deer.

During the business meeting the members voted to send a telegram to the meeting being held in San Antonio for the purpose of organizing a state organization for the protection and propagation of Texas Wildlife, giving the club's promise of support and likely participation in the new program.

Attendance prizes were won by Leo F. Laake and Mrs. Joe Brucks.

S. A. Missions Lower Price Of Admission To Ball Games

The general admission fan and the bleacherite, the two groups which constitutes the major portion of baseball attendance, are being given two breaks next year by the San Antonio Missions.

The general admission charge, formerly \$1.20, will be only \$1.00. Also, four nights a week, Monday through Thursday, all children 15 and under will be admitted to the grandstand or bleachers absolutely free of charge provided they are accompanied by their parent or parents. These moves will throw baseball within the financial reach of everyone that enjoys a ball game, whether it be for a steady diet or on an occasional basis. This means that a family will be able to attend the ball game and sit in the general admission sections for a total admission price of only \$2.00 for the entire family. All children in the family (16 and under) walk right on in and occupy the general admission seats which will be on a first-come first-served basis. If the fan happens to be a bleacherite, then the total family cost will be just \$1.50 - 75c for each parent. Just the presence of one of the parents will be sufficient to get the kids in free.

State Department Replaces Highway Stripe, Lane Line

The Texas Highway Department is preparing to replace the reflectorized paint center stripe and lane lines on the highway routes through the City of Hondo.

These pavement markings are very essential to motorists in that they channelize the traffic; thus, enabling the street to carry more vehicles with safety.

The purpose of the double yellow center line is to show where the center of the street is and to separate opposing vehicles for greater safety. It is unlawful to unnecessarily ride on top of the stripe or to cross it for purposes other than making turns. It is unlawful to cross it for the purpose of passing another vehicle.

The dashed reflectorized white paint lane line provides two lanes for the traffic to use to the right of the double yellow center line. Motorists should not ride on it.

More Texans Leaving Than Entering Military Service

A total of 46,545 Texans entered military service in 1955, records at state Selective Service headquarters show.

While these Texans were donning uniforms, a total of 54,499 was separated from active service. Lieutenant Colonel Morris S. Schwartz, state Selective Service director, pointed out.

"Nearly 8,000 more got out than went in," Colonel Schwartz said, "a reflection of the reduction in strength of the military services during 1955."

Of the 46,545 Texans who went into military service, 38,591 went in by enlistment or other voluntary means. The remainder, 7,954 entered service through the draft boards. Nearly all those entering through the draft went into the Army. Only a few inductees went into the Navy, all in the month of November.

Texas' 137 draft boards forwarded 6,946 men during 1955 for preinduction physical and mental examinations. Of this number, 4,200 were found acceptable for service, and the remainder, 2,746, were found unacceptable.

SAN MARCAN KILLED IN CRASH FRIDAY

Ralph W. Finch, 20, of Gary Air Force Base, San Marcos, was killed Friday night when the Chevrolet convertible in which he was riding turned four miles west of Hondo.

Finch, whose home was in Poughkeepsie, N.Y., is survived by a wife and one child.

Five other passengers in the car were taken to Lackland Hospital for treatment of cuts and abrasions. The accident was investigated by the Highway Patrol and the Sheriff's department.

Lovert pointed out that the telephone using public will hardly be aware of the activity taking place in the telephone central office during the Saturday-Sunday interval. "Our customers' lines will not be affected by the work on the dial apparatus. Everyone can continue to use his telephone -- dialing the existing numbers -- until 1:01 a.m. Sunday. After that time, all that's necessary is to dial the new two-letter, five-numeral numbers as shown in the new

Local Phone Numbers Change February 5

New telephone directories are being received by mail in Hondo today -- in ample time for Hondo telephone users to start dialing their new two-letter and five-numeral telephone numbers commencing Sunday morning, February 5.

Shortly after midnight Saturday, February 4, Southwestern Bell Telephone Company technicians will switch 1,600 telephone lines here from the old to the new numbering scheme.

According to Claude Lovett, Jr., manager for the company, all is in readiness for the change. The new telephone books are being delivered, telephone number designations have been placed at business locations, and telephone dial cards, pre-printed with the new "2-5" numbers, will be mailed to all residential subscribers. What's left to be done is the modification of dial switching units in the telephone central office building so that they will accommodate the new seven-pull telephone numbers.

This is no simple task to be completed in a minute or two. Lovett said, "Telephone men will be on duty Saturday afternoon and until Sunday morning. While the actual change in numbering will take place Sunday at 1:01 a.m., the work will be done in three stages. During Saturday afternoon and early evening, the telephone men will be working on the dial switches in the central office, getting them ready for the change. Step 2 will be the actual conversion to the numbering scheme early Sunday morning. Step 3 will involve final equipment adjustments and rearrangement of trunk lines in the central office."

Lovert pointed out that the telephone using public will hardly be aware of the activity taking place in the telephone central office during the Saturday-Sunday interval. "Our customers' lines will not be affected by the work on the dial apparatus. Everyone can continue to use his telephone -- dialing the existing numbers -- until 1:01 a.m. Sunday. After that time, all that's necessary is to dial the new two-letter, five-numeral numbers as shown in the new

telephone directory. It's as simple as that."

So, for anyone who cares to wait up until early Sunday on February 5 to see if the telephone company is on the ball, the switch-over will seem instantaneous. Several months of careful planning by local telephone people have gone into making the changeover take place as smoothly as possible, with little inconvenience to the telephone user.

The new telephone directory contains all the new telephone numbers and has a boxed warning on the cover: "Be Sure To Use This Directory Starting February 5." Lovett urges all Hondo telephone users to be sure of the new telephone numbers by looking in the directory. While most numbers will only acquire the new two-letter prefix, there will be 300 completely changed numbers, he said.

Keep Eyes On Small Fry

"Keep an eye on all small fry," Mr. E. C. McFadden of Dallas, President of the Texas Safety Association, Inc., made that appeal to motorists today in a drive against traffic accidents children being sponsored this month by the Texas Safety Association, the Department of Public Safety and the National Safety Council.

"Children have a way of moving faster than the eye, and it's hard to keep up with them," McFadden said. "Yet the only way we can hope to cut down on traffic casualties which claim many of our children today is to keep a wary eye for sudden unpredictable action of small fry."

"Many accidents happen in the twinkling of an eye. A child suddenly looms up from nowhere there is a screech of brakes, and another casualty is added to the growing figures."

McFadden said that while parents, schools, and the police department are working constantly for greater child safety on street and highways, there are many problems yet unsolved. "One of the major problems," he said, "is coping with the impulses of children and training them in safety precautions from pre-school age through adolescence."

"The only way to tackle this problem of unpredictable behavior in children, especially in crossing streets, is to urge that motorists keep a sharp lookout and drive slowly through school playground areas, especially during the peak hours of school traffic in the morning and afternoon," he said. "Schools and parents are doing their best to train small fry to be more safety-wise and are doing a remarkable job."

"There were 4,100 children killed in traffic accidents last year," McFadden concluded. "We must stop this needless slaughter of our children. And it is up to us to protect children by heeding the oft-repeated warning: 'Drive slow! Protect our Children!'"
